## ICBPRO3650

## FEATURES

Scrubs the air of ethylene, mold, viruses, and bacteria every twenty minutes using NASA-based advanced air purification technology

Install directly within surrounding cabinetry for built-in, or add accessory panels for freestanding

Makes an iconic stainless-steel statement, inside and out

Dual refrigeration technology preserves refrigerated foods with cool, moist air and frozen foods with frigid, dry air

Creates the ideal environment for produce in independently-controlled crisper drawer

Easy access to food with full-extension slide-out glass shelf with adjustable gates

Locks in temperature and humidity with soft-close door hinge and magnetic seal on doors and drawers

Controls temperature within one degree of setpoint via intuitive exterior touch control panel

Automatic ice maker with advanced water filtration system

Control brightness with soft-on LED lighting that fully illuminates the cavity, making food more visible and less likely to hide
